

Science

Identify and compare the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock, paper and cardboard for particular uses.

Find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching.

History

Significant historical events, people and places – The Great Fire of London.

Art

To use a range of materials creatively to design and make products

Artist –Paul Klee

Fire, Fire!

Geography

Use world maps, atlases and globes to identify the United Kingdom and its countries.

Use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features.

Name, locate and identify characteristics of the four countries and capital cities of the United Kingdom.

Music

Know the songs
London's burning and
Ring-a ring-o roses

Design Technology

Design purposeful, functional, appealing products for themselves and other users based on design criteria.

Build structures, exploring how they can be made stronger, stiffer and more stable.
