

## **Conceptual Milestone for Music**

### EYFS

Express and perform their own ideas, thoughts and feelings through exploring music, songs and dance.

### Key Stage 1

Make and control musical sounds using both instruments and voice. Begin to understand the impact music can have on the way people feel, think and act.

### Lower Key Stage 2

Further develop control whilst making musical sounds, creatively and expressively, using both instruments and voice. Develop understanding of the impact music can have on the way people feel, think and act.

### Upper Key Stage 2

Show increasing accuracy in producing creative and expressive musical sounds using both instruments and voice. Demonstrate understanding of the impact music can have on the way people feel, think and act.
