Honington CEVCP School

Vision and Ethos:

Policy and Procedures Strategy

Our vision is underpinned by two key phrases:

‘Aspiration for All’ and **‘Live life in all its fullness’** (John 10:10)

At Honington CEVCP School we are committed to our ethos as a warm, welcoming, nurturing school where we recognise and develop the unique gifts and personal qualities of all.

We offer a Christian approach to learning which is underpinned by our motto, ‘Aspiration for All,’ and, from the Bible, ‘Live life in all its fullness.’ (John 10:10)

We aim to provide an excellent education for everyone, so that all pupils will flourish in childhood and on into adolescence and adulthood.

We aim to equip all members of our school community with the knowledge, skills, personal resilience, creativity, emotional intelligence and social skills that give them every opportunity to experience lifelong success and happiness.

We believe it is important that we devise and approve Policy and Procedure documents with these key aims at the forefront of our minds. Therefore, all such documents will be prefaced by this statement.

1. Introduction and aims

At Honington CEVCP School we recognise that mobile phones, including smart phones, are an important part of everyday life for our pupils, parents/carers and staff, as well as the wider school community.

Our policy aims to:

- Promote, and set an example for, safe and responsible phone use
- Set clear guidelines for the use of mobile phones for pupils, staff, parents/carers and volunteers
- Support the school's other policies, especially those related to child protection and behaviour

This policy also aims to address some of the challenges posed by mobile phones in school, such as:

- Risks to child protection
- Data protection issues
- Potential for lesson disruption
- Risk of theft, loss, or damage
- Appropriate use of technology in the classroom

2. Roles and responsibilities

2.1 Staff

All staff (including teachers, support staff and supply staff) are responsible for enforcing this policy.

Volunteers, or anyone else otherwise engaged by the school, must alert a member of staff if they witness, or are aware of, a breach of this policy.

The SLT responsible for monitoring the policy every 3 years, reviewing it, and holding staff and pupils accountable for its implementation.

2.2 Governors

The policy will be shared with governors for comments following each review.

3. Use of mobile phones by staff

3.1 Personal mobile phones

Staff (including volunteers, contractors and anyone else otherwise engaged by the school) are not permitted to make or receive calls, or send texts, while children are present unless it is an emergency situation. Use of personal mobile phones must be restricted to non-contact time, and to areas of the school where pupils are not present (such as the staffroom).

There may be circumstances in which it's appropriate for a member of staff to have use of their phone during contact time. For instance:

- For emergency contact by their child, or their child's school
- In the case of acutely ill dependents or family members

The headteacher (or SLT if HT not available) will decide on a case-by-basis whether to allow for special arrangements.

If special arrangements are not deemed necessary, school staff can use the school office number 01359 269324 as a point of emergency contact.

3.2 Data protection

Staff must not use their personal mobile phones to process personal data, or any other confidential school information, including entering such data into generative artificial intelligence (AI) tools such as chatbots (e.g. ChatGPT and Google Bard).

More detailed information can be found in our Data Protection Policies or in our Acceptable Use policy.

3.3 Safeguarding

Staff must refrain from giving their personal contact details to pupils, including connecting through social media and messaging apps.

Staff are advised to refrain from giving their personal contact details to parents/carers, including connecting through social media and messaging apps.

Staff are advised to avoid publicising their contact details on any social media platform or website, to avoid unwanted contact by parents/carers or pupils.

Staff must not use their mobile phones to take photographs or recordings of pupils, their work, or anything else which could identify a pupil. If it's necessary to take photos or recordings as part of a lesson/school trip/activity, this must be done using school equipment.

If staff are using their mobile phones to access the internet whilst in school they should ensure they are following all of the guidance above.

3.4 Using personal mobiles for work purposes

In some circumstances, it may be appropriate for staff to use personal mobile phones for work. Such circumstances may include, but aren't limited to:

- Emergency evacuations
- Supervising off-site trips
- Supervising residential visits

In these circumstances, staff will:

- Use their mobile phones in an appropriate and professional manner, in line with our staff code of conduct
- Not use their phones to take photographs or recordings of pupils, their work, or anything else which could identify a pupil
- Refrain from using their phones to contact parents/carers (unless in an emergency). If necessary, contact should ideally be made via the school office

3.5 Work phones

Some members of staff are provided with a mobile phone by the school for work purposes.

Only authorised staff are permitted to use school phones, and access to the phone must not be provided to anyone without authorisation.

Staff must:

- Only use phone functions for work purposes, including making/receiving calls, sending/receiving emails or other communications, or using the internet
- Ensure that communication or conduct linked to the device is appropriate and professional at all times, in line with our staff code of conduct.

3.6 Sanctions

Staff that fail to adhere to this policy may face disciplinary action.

See the school's staff disciplinary policy for more information.

4. Use of mobile phones by pupils

Pupils should NOT have mobile phones in school.

In exceptional circumstances pupils may bring their phone into school but it must be stored securely in the school office during the school day. It will be returned to them at home time. Exceptional circumstances may include:

- Children travelling to school by themselves
- Children going to stay at a separated parent's home after school

4.1 Sanctions

Pupils who breach the mobile phone policy will have their phone confiscated under sections 91 and 94 of the [Education and Inspections Act 2006](#)) and they will have to be collected by a parent from the school office.

Staff have the power to search pupils' phones, as set out in the [DfE's guidance on searching, screening and confiscation](#). The DfE guidance allows you to search a pupil's phone if you have reason to believe the phone contains pornographic images, or if it is being/has been used to commit an offence or cause personal injury.

Certain types of conduct, bullying or harassment can be classified as criminal conduct. The school takes such conduct extremely seriously and will involve the police or other agencies as appropriate.

Such conduct includes, but is not limited to:

- › Sexting (consensual and non-consensual sharing nude or semi-nude images or videos)
- › Upskirting
- › Threats of violence or assault
- › Abusive calls, emails, social media posts or texts directed at someone on the basis of someone's ethnicity, religious beliefs or sexual orientation

5. Use of mobile phones by parents/carers, volunteers and visitors

Parents/carers, visitors and volunteers (including governors and contractors) must adhere to this policy as it relates to staff if they are on the school site during the school day.

This means:

- › Not taking pictures or recordings of pupils, unless it's a public event (such as a school fair), or of their own child
- › Using any photographs or recordings for personal use only, and not posting on social media without consent
- › Not using phones in lessons, or when working with pupils

Parents/carers, visitors and volunteers will see or be told the rules for mobile phone use when they sign in at reception or attend a public event at school (if applicable).

Parents/carers or volunteers supervising school trips or residential visits must not:

- › Use their phone to make contact with other parents/carers
- › Take photos or recordings of pupils, their work, or anything else which could identify a pupil

Parents/carers or volunteers supervising trips are also responsible for enforcing the school's policy for pupils using their phones, as set out in section 4 above.

Parents/carers must use the school office as the first point of contact if they need to get in touch with their child during the school day. They must not try to contact their child on his/her personal mobile during the school day.

6. Loss, theft or damage

Pupils bringing phones to school must ensure that phones are appropriately labelled.

Staff must secure their personal phones, as well as any work phone provided to them. Failure by staff to do so could result in data breaches.

The school accepts no responsibility for mobile phones that are lost, damaged or stolen on school premises or transport, during school visits or trips, or while pupils are travelling to and from school.

Confiscated phones will be stored in the school office.

Lost phones should be returned to the school office. The school will then attempt to contact the owner.

7. Monitoring and review

The school is committed to ensuring that this policy has a positive impact of pupils' education, behaviour and welfare. When reviewing the policy, the school will take into account:

- Feedback from parents/carers and pupils
- Feedback from teachers
- Records of behaviour and safeguarding incidents
- Relevant advice from the Department for Education, the local authority or other relevant organisations
